

LAKSHYA UNIVERSAL ACADEMY
ANNUAL DAY – PRINCIPAL’S REPORT

Noted educationist Bradley Whitford once said “Infuse your life with action. Don’t wait for it to happen. Make it happen. Make your own future. Make your own hope.” These motivational words are what we, at Lakshya Universal Academy use to inspire our students to achieve their dreams and aspirations.

A very good evening to one and all. Mei Aap sab ka tahe Dil se swagat karti hun aur Asha karti hun ki aap sab Lakshya Universal Academy mei badlav dekh kar prasan honge. Hame aage barna hai aur iske liye ham koi bhi kasar nahi chorege. Iss Afsar par mei Yaha aye hue mukhya athithi we baki athithi gar ka shukriya ada karna chahungi. Khas tor pe Hamare Director Mr Panwar aur Mrs Panwar jinhone har samye hame har tarh ka sahyog diya wa har samye protsahit kiya.

This last year has been one of achievements and new beginnings. Since the time I took up the role of Principal in November 2018, my team and I have striven hard to make Lakshya Universal Academy a shining beacon of knowledge and innovative thinking in the field of Education. That we have largely succeeded is due to the teamwork of our Headmaster, teachers and our students. Their willingness to learn and absorb new ideas has been encouraging.

To give you a glimpse of what the school has achieved in the last year, let us begin with the **Founders Day**. This was the first founders day of the school and staff and students responded and performed magnificently. We at Lakshya have faced many other challenges, and I can say with confidence that inspite of all the challenges our school is growing from strength to strength.

Republic Day and Independence Day were celebrated with great fervour and dedication. Speeches Patriotic songs and dance inculcated in the students a sense of pride and patriotism for their country.

Sports Day was yet another opportunity for the students to showcase their abilities in other fields apart from academics. Healthy competition between the four houses – saw Orchid House emerge winners of the Athletics trophy, however it is Zinnia House that is the overall champion for sports and games and will hold the aloft the Champions Trophy for 2018 – 2019. Rohit Panwar of Aster House was adjudged the overall athletic champion in the boys division, while Priyanshu Sehgal also of Aster House was the runner-up. Shipra Rana of Orchid House was the overall athletic champion in the girls division and Srishti Juyal also of

Orchid House was adjudged as the runner-up. The March Past trophy was awarded to Tulip House.

March saw the commencement of the Final Examinations and students and teachers engrossed themselves in studies and revision work. The students produced commendable results. In academics many children displayed their knowledge, understanding and hard-work and for this they will be shortly rewarded. No student can achieve their goal without the guiding hand of dedicated and committed teachers, and to honour our staff we will be bestowing a best teacher's award on our devoted and dedicated teachers. Mrs Rachna Rawat, Mrs Sukanya and Mr Kulbhushan will be receiving the best Teachers Award for the last Academic year. We shall also be awarding our best administrative employee to Mr Ankit Bhatt, best helpful maid to Mrs Beena Chauhan and Best driver to Virendra Panwar this evening. Here I would like to mention that both these awards will be a yearly feature and so does not reflect on the abilities of our staff. Every member of the Lakshya family is dedicated to the growth and well-being of the school.

April mei Naya sal naye umango aur naye vicharo ke sath shuru hua . Apne bacho ko kahi aur na jana pare iske liye hamare Director Mr Panwar ne grade nine ko yaha shru karne ka ailaan kiya . Ye sun kar sabhi bacho wo parents mei ek khushi ki leher dor pari. Yahi nahi agale sal bache yaha se grade 10 bhi karenge wa hamari poori koshish hogi ki ham ye school grade 12 tak le jaye.

Naye sal mei hamne bacho ko empower karne ke liye naya curriculum frame kiya gaya. jiska key focus 21st century skill development tha. Bacho ko diagnostic tests kare gaye, bache kis level pe hai aur unhe kis level pe jna hai uske liye targets aur trackers banaye gaye. Yahi nahi teachers ko bhi targets diye gaye aur uska follow up kiya gaya. Bacho ke liye Remedial classes and skill development classes conduct kari gayi taki bacho ko jo age barne mei mushkile ho rahi thi wo puri kari ja sake aur sabhi bache safalta ki taraf age bare.

In August a special week was organized to check on the development of English Language communication and oratory skills in children. The Headmaster Mr. Davids and the English Department worked very hard to make the events successful. The whole week was filled with

a number of competitions right from L.K.G to Grade 8. The students enthusiastically participated in events as Choral Recitation, Elocution, Creative Writing, Story Telling, Speech, Declamation and Debate. It was encouraging to see children come up on stage and speak with confidence.

September was also a busy month, beginning with Teachers Day. The students put a highly commendable and interesting programme to show their love and respect for their teachers. September also saw another first, the Hindi Week, organized by the Senior Hindi teacher, Mr. Kulbhushan Painuly and the Hindi Department wherein, once again the students show-cased their talent and oratory powers in Recitation, Speech and Elocution. The rest of the month was devoted to academics and other sport competitions such as basketball, volleyball and throw-ball.

I am proud to announce the name of our student Tanishk Aswal . Tanishk, was selected to compete in the shooting competition, held for potential State and National shooters. He got through the first round of selections, but unfortunately only came 5th in the next round. However, it was a commendable effort on his part and he deserves a big round of applause. I am confident he will do much better next year and perhaps one day he will represent the country in shooting.

Ek sabse important aspect jo hamne Lakshya Universal Academy mei is sal introduce kiya hai wo hai Work experience aur club activities. Work Experience mei bacho ko **personality development**, yani ki vyaktitav Vikas ,cooking,baking,tailoring, aur career guidance – agae vyavasaye ke liye paramarsh bhi karaya gaya.
